**Fr. Gardner's Report:**

- There were four funeral liturgies and two baptism since the last meeting.
- The parish celebration of 25th and 50th wedding anniversaries took place on June 29 at the 10:30 Mass. Our thanks to those who helped in this event's coordination and the reception that followed: Jim and Mary Grace Coddington, Barb Hollmann and Evelyn Bardua.
- Parish picnic was held at Stricker's Grove on July 6; while attendance seemed to be down, sufficient funds were generated at the gate to offset the cost of grounds rental for the event. Council members discussed whether the picnic continues to be an effective community builder or if some consideration should be given to making a change of some kind, such as venue or date. It was agreed by all that it was important to continue to offer the picnic as an opportunity for parishioners and their families to gather each year.
- St. MM's Vacation Bible School took place in the evenings on June 22-26. The parish Summer CCD program took place over the two weeks of July 7-18. Both programs were under the direction of Wilma McGlasson, Faith Formation Director.
- The Child Protection Policy for the Archdiocese is required to be reviewed every 5 years. It has been revised and published and is being presented to pastors at various meeting sites in the Archdiocese. Father attended with Wilma at St. Ignatius on July 11. There have been some key additions to the policy. There is no change in the video presentation. A policy brochure will be available.

**Faith Formation:** Report submitted by Wilma

- Preparations for First Reconciliation and Confirmation will begin in September.
- St. MM's Vacation Bible School program "God's Big Backyard" took place in June as was well attended and well received by the participants.
- Sunday pre-school program will resume in the Fall. Nancy Garcia will be the coordinator. One or two additional adults are needed to help run the program.
- There were 12 students who attended the St. MM Summer CCD program in July. Gail Florea and former St. MM school principal, Pat Kennedy, taught primary grades and Wilma taught the intermediate grades. There were no registrations for Jr. high students this year. Dale Foley was a great asset, providing music that coordinated with the theme for each day.
- iDive and iPlunge are two programs developed by the Jesuit Spiritual Center for teens in grades 8 through high school. Six young parishioners participated recently. During the days they visited various charity centers, mostly located in Over the Rhine area, where they helped with projects, and they spent the nights at the Milford Retreat House. They earned part of the funding needed for them to attend by having a car wash and bake sale, with the balance of funds coming from PYO. Their reflections on this experience continue to be featured in the weekend bulletin.
- Child Protection Program: next video viewing session will take place at St. MM on Monday, August 18 at 7:00 pm in the Faith Formation Office. Other sessions are being scheduled with dates to be announced.
- There were five adults and one youth from St. MM who participated in helping serve meals on July 29 at the St. Paul Church Community Dinner, however several more volunteers would be greatly welcomed. St. MM has agreed to participate in this event on 5th Tuesdays. The next date for this is Tuesday, September 30. Serving begins at 4 pm and cleanup is usually completed by 7pm. Dessert donations for the event are also needed and appreciated. Wilma should be contacted for more information.
- Training for altar servers will take place on Monday, August 4 and Wednesday, August 6 at 10:00 am in the church for students in the 5th grade and up. Attendance is required on both days.
